Christopher Kane Hearts Teavigo!

25 July 2008

Our favourite fashion designer Christopher Kane is a secret Green Teavigo Tea Addict.

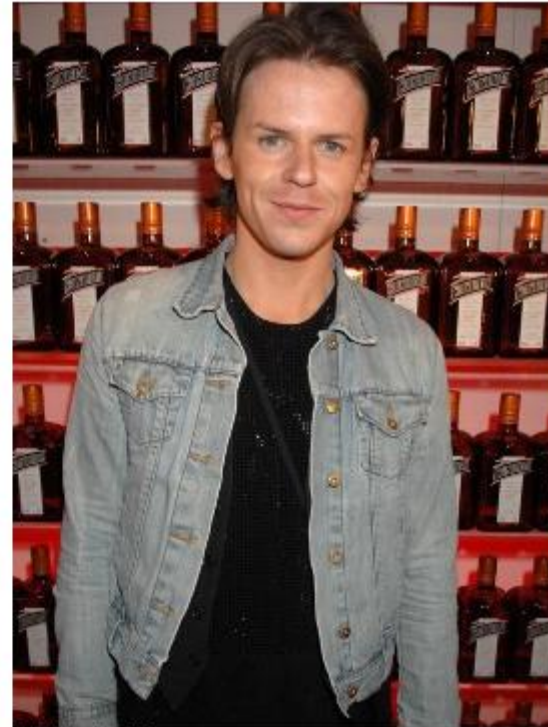

Christopher Kane has become one of London's top fashion designers over the last few years - but he's not achieved his fashion credibility without working hard!

With his hectic lifestyle, it's no surprise that Mr Kane needs a quick health fix and he does so by sipping Teavigo Green Tea supplement.

'I have a hectic lifestyle and like many people I can find it hard to find the time to take care of myself. Teavigo fits into my life easily and I feel good knowing that I am taking steps to look after my health,' explains Christopher.

The advantages of swapping your builder's tea for a Teavigo tea are endless! Not only does it help your body burn more fat, it's even said to be good for your heart and your teeth.

If it's good enough for Christopher, it's good enough for us!
