Teavigo by Christopher Kane **Fashion Teas**

No stranger to pressure, designer Christopher Kane has long been a fan of green tea supplements, used in Asia for calming and revitalising the body. Such a fan, in fact, that he will be collaborating with Teavigo, a new supplement to the UK, to design a limited edition vanity case. He said: "I have a hectic lifestyle and, like many people, I can find it hard to take the time to take care of myself. Teavigo fits into my life easily and I feel good knowing that I am taking steps to look after my health." Want to see what all the fuss is about? You can buy the supplements or flavoured pastilles at www.teavigo.com.
